REGISTRATION

All players must register to play. Players will not be able to take part in any games or events until registration has been completed.

Upon registration, players will be issued with a numbered wristband which must be worn at all times throughout the event.

Non players are also required to register as a participant to the event

Players without a wristband will not be able to participate in any games whatsoever.

Please bring your air bottle with you when you register.

Bottles will be checked to ensure that they are within test date and of good condition

Bottles found to be substandard will be retained by the event staff until after the event has finished. This is to ensure that unsafe bottles are not used during the event.

Mayhem are pleased to announce we will once again be offering both 3K and 4.5K air

Bottle checking will take place during registration.

COVID

PROCEDURES

In order for us to put on the event as safety as possible, please comply with all government advice for social distancing, hand washing and any other advice regarding to outdoor spaces.

ALL on site attendee's are required to check in and fill a disclaimer form as soon as they arrive. This form will be used in the event that we are required to track and trace event attendee's. All people on site must have a wristband on to show they have been registered. Please inform a member of staff if anyone is seen without a wristband.

If any local, national or other restrictions are brought in prior to the event, you must adhere to these, if restrictions will effect the safe running of the event we will contact you and advise of how we plan to move forward.

EMERGENCY PROCEDURES

In order to ensure a safe and enjoyable environment for all our customers, we will be operating a sin bin system for players who do not comply with the rules of the event.

The sin bin system will only penalise the player who infringes and not their team as a whole. The amount of time in the sin bin will be proportionate to any infringement.

A marshal's decision is final. For serious rule infringements, Mayhem reserve the right to remove players from the game with no recompense.

The Event Coordinator's decision in such instances will be final.

In the event of a medical emergency 'GAME OVER' will be called by all staff followed by 'FREEZE'. If you hear game calls please repeat the call and apply your barrel sock. Do not move position until instructed to do so by an event marshal.

Please come to the First Aid station (shop) should you require any minor medical attention. If immediate medical attention is required, please contact the emergency services.
